Special Planning Commission Meeting – October 11

The Planning Commission will hold a special meeting on October 11, 2016 at 6pm in the City Hall Council Chambers to consider regulation of cannabis operations citywide. The Draft Ordinance proposes permitting cannabis operations within commercial and industrial zoning districts after each business operation has received a conditional use permit from the Planning Commission and has entered into a development agreement with the City. The number of dispensaries will remain at two. After discussion & receiving public comments, the Planning Commission will recommend adoption or denial of the Draft Ordinance to the City Council. The Draft Ordinance will be heard before the City Council at their regularly scheduled hearing on October 24, 2017
